

NuVue Dual Layered Banner Display Stand

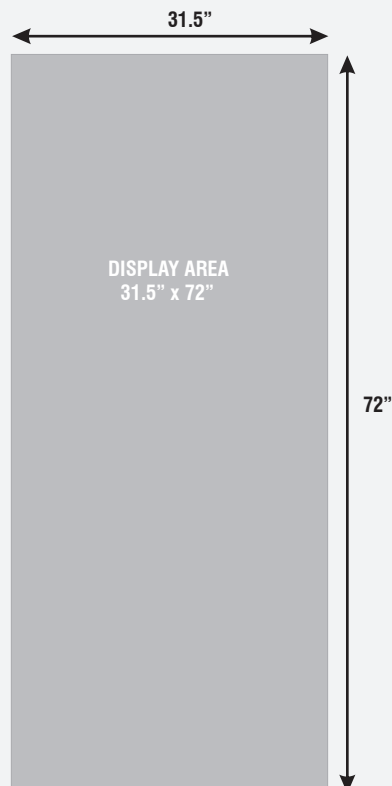

The NuVue 3D Tripod Banner Display Stand from Paradigm Imaging Group is the latest offering in our line-up of unique display stands. It features a 3D layered look using a double-layer of custom banners. The front banner is a custom-cut shaped banner, available to choose from five unique shapes, displayed against a rectangle shaped background banner. The NuVue display banner stand offers a wealth of creative options to showcase your message. Maximize traffic at your next trade show and be totally unique and creative with this brand new stand from Paradigm Imaging Group. It's lightweight and durable, setup takes only a few minutes. A heavy duty zippered Nylon carrying case is also included.
