## 10ft. Fabrilyte Wave Tubular Display

Our BRAND NEW tubular systems are a great alternative to standard popup displays. Available in both 6ft and 10ft widths as well as curved and straight styles, these lightweight systems offer quick and easy setup, portability and long term storage. The graphics are printed on a heavy duty Fabric material which simply stretches over the aluminum frame, presenting a clean seamless eye catching display. A carrying case is also included.

### HARDWARE SPECIFICATIONS

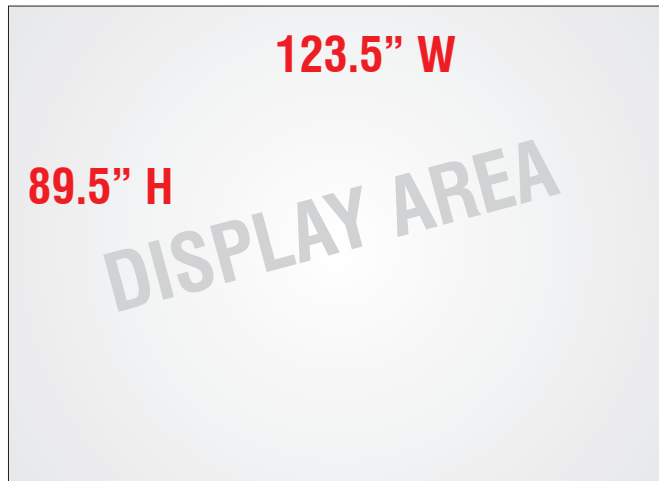

**Color:** Silver & Grey

**Graphic Size:** 123.5" x 89.5"

**Construction:** Aluminum frame with angled corner attachments

**Shipping Weight:** 35 lbs.
